INDIVIDUAL ASSISTANCE EVALUATION

Thank you for completing this service evaluation. Our funders require us to gather relevant information from participants to ensure the quality of our individual assistance. With your help, we will continue to improve our individual assistance services. **Thank you!**

Evaluation Questions	Yes	To Some Extent	No	N/A
The individual assistance I received from your staff has helped me to be more knowledgeable about how to work with my child's school.				
Information I received during one-to-one time with your staff helped me make important decisions about my child's education.				
Information I received from your staff has contributed to my child receiving appropriate services at school.				
The assistance I received to organize my child's records, prepare for my child's IEP/504 meeting, and use the law when advocating for my child was helpful .				
The information I received from your staff through individual assistance was relevant to my needs and useful in meeting the needs of my child.				
Having your staff attend my child's IEP/504 meeting with me was helpful .				
I am satisfied with the way my concerns were addressed by your staff.				
I will contact you again if I have questions or concerns about my child's education and disability-related needs.				
I would recommend you and your organization to a friend or relative in need.				
<i>Please provide any suggestions you have on how we could improve our Individual Assistance services.</i>
